2024-2025 Transportation Form Three Year Old Pre-School

The Sidney Community School District will provide transportation to and from school for any three year old child attending a licensed daycare within our district on Tuesdays and Thursdays when preschool is in session. There will be a cost charged to parents/guardians wishing to utilize this service. Parents understand that preschool students are eligible to ride the school bus upon turning four years old, but may continue to ride the special PK3 route, at cost, if they wish to do so. No older siblings of preschool students, who may be attending the same daycare, are allowed to ride this special transportation route. The district reserves the right to discontinue this service due to non-payment or student behavioral issues that present safety concerns to other students and transportation staff. A district provided staff member will assist children into/out of the transportation vehicle and in securing the safety seat. The driver is not allowed to exit the vehicle to assist with getting in/out of the vehicle or with the safety seats.
